

AREAS OF APPLICATION

www.equalizerFIS.com

1. INTEGRITY APPROACH

Leave the corroded flange studs in place and apply the XTEGRITYTM Flange Integrity System to prevent joint failure

2. MAINTENANCE APPROACH

Temporarily apply the XTEGRITYTM Flange Integrity System to enable the corroded flange studs to be replaced

3. INTERVENTION APPROACH

Apply the XTEGRITYTM Flange Integrity System following a loss of joint integrity
